## MIDDLETOWN SPECIAL PROGRAMS

### Who We Are

The Cancer Support Community is dedicated to helping people affected by cancer enhance their health and well-being through participation in a professional program of emotional support, education and hope.

What began as a local grass roots movement, grew into the largest provider of psychosocial oncology support in the world, advancing the idea that psychosocial care is as important as medical care in the face of a cancer diagnosis. Incorporated in 1993, The Cancer Support Community quickly grew statewide with locations in Wilmington, Dover and Rehoboth. Today, our vision remains the same—To offer support to all people with all types of cancer, as well as their families and friends, so that no one has to face cancer alone.

We are excited to be able to expand our programs into the Middletown, Odessa, Townsend area.

### What We Do

### Programs

#### **Tai Chi - Tuesdays - 1:30 pm to 2:30 pm**

Facilitated by Ran Greim. Tai Chi began as a martial art and as it developed took on the purpose of enhancing physical and mental health. Practiced in a variety of styles, tai chi involves slow, gentle movements, deep breathing and meditation. Tai Chi is known to strengthen balance, improve the flow of energy through the body, leading to greater awareness, calmness and an overall sense of wellness.

#### **Meditation - Tuesdays - 2:45 pm to 3:45 pm**

Discover the health benefits of meditation and experience how it reduces stress and enhances breathing, focus and relaxation. This guided meditation class is facilitated by Josephine Diagonale and is perfect for beginners and particularly beneficial during a cancer diagnosis.

#### **NEW-Middletown Cancer Support Group - Thursday, February 21st - 6:30 pm**

The NEW Middletown Cancer Support Group will provide an opportunity to meet with others in a similar situation to give and receive support.

This support group is for people with cancer and their primary emotional caregiver. Research continues to indicate that joining a support group can help cope with the isolation, hopelessness, and loss of control that can occur during cancer treatment and beyond.

To register for this support group call Sean Hebbel at 302-995-2850

#### **Ask The Nutritionist - Wednesday, February 27th - 1:00 pm**
