Assistant Program Director (Full-Time, with benefits) Cancer Support Community Delaware

Cancer Support Community Delaware is seeking a compassionate and organized **Assistant Program Director** to support and enhance our mission of providing emotional and social support to people affected by cancer. This role offers the opportunity to make a real impact, with room to grow.

What You'll Do:

- Welcome new participants and guide them through our programs and services.
- Coordinate and support in-person programs across our New Castle, Middletown, and Kent County locations.
- Facilitate support groups and help develop new programs.
- Assist with communications, event planning, and data/reporting tasks.
- Help manage applications for our Cancer Care Assistance Fund.
- Provide administrative support, from greeting visitors to tracking program outcomes.

What You Bring:

- Master's in Social Work or Counseling (DE licensure required or pending).
- Strong communication, organization, and multitasking skills.
- Experience with group facilitation and a passion for community-based care.
- Tech-savvy with tools like Zoom, Outlook, Excel, and Constant Contact.
- Reliable transportation and flexibility to travel between locations.

Why CSCDE?

Be part of a caring, mission-driven team that's making a difference in the lives of those affected by cancer across Delaware.
